

Welcome

The Cockhaven Arms is located in the quiet village of Bishopsteignton, at the foot of Haldon Moor and overlooking the lovely Teign Estuary. Following extensive refurbishment, it re-opened its doors in April 2016.

Downstairs retains much of its traditional character but has been opened up to create a lovely bar and restaurant with open log fires and an intimate and cosy atmosphere, which is ideal for informal eating and drinking. The ever popular conservatory has been refurbished and is now more integrated with the bar area.

Upstairs, the elegant landing has been sympathetically redecorated, whilst all the rooms have been extensively refurbished, some of the bedrooms have also been re-configured to create individually styled but contemporary rooms. All 10 bedrooms are ensuite and have flat screen TVs, free Wi-Fi, hairdryer, tea & coffee making facilities and powerful showers.

The
Cockhaven
Here for any occasion

COCKHAVEN ARMS
EAT - DRINK - STAY

We pride ourselves on using local produce where we can, from local beers made at The Red Rock Brewery to wine grown on the Bishopsteignton hills from The Old Walls Vineyard and selected meat and fish from South Devon.

Everybody is Welcome

Here at The Cockhaven we are famous for holding large functions for almost any occasion, from celebrations such as birthdays and weddings to more discreet events such as wakes. As well as serving our à la carte menu daily, for larger groups we have a choice of four menus. If you need help organising live music or if you have any other requests, please speak to a manager; start planning your event today.

Why not have a look at our separate wedding brochure or Christmas party pack, please speak to staff for details.
